

NEWARKERS ARE READY TO GO TO THEIR RIVER

Come and find out about Newark's first Riverfront Park!

The Division of Planning & Community Development and The Trust for Public Land invite residents to view design options and share ideas for creating Newark's first Riverfront Park.

For more information, please call Waterfront Planner Damon Rich at (973) 733-5918.

WHAT

Building on the City of Newark's commitment to create beautiful parks along Newark's Passaic Riverfront, the City of Newark and The Trust for Public Land have entered into a partnership to complete a design for a park on Newark's Passaic Riverfront. At this discussion, you will see the design developed by the project team with resident advice from our previous two public meetings, and have an opportunity to share your thoughts before the design is completed.
